Doctoral Colloquium

Winter Term 2021/22

Thursday, 10-12 am, UB UNICOM Building, BIGSSS Conference Room

The doctoral colloquium will take place Thursdays, 10-12 am at the BIGSSS Conference Room. We will have a 20-minutes presentation by a doctoral fellow, followed by short comment (no longer than 15 minutes) by an external commentator (Faculty or Postdoc). Fellows will circulate their paper/chapter/proposal one week in advance, giving each participant sufficient time to read it. Fellows are welcome to make suggestions on potential commentators and/or to consult with me regarding who might be a suitable commentator.
